

PRODUCT SHEET

Hygiene cover

CE marking

The hygiene cover is CE marked according to MDR (Medical Device Regulation) (EU) 2017/745 Medical Device Directive Class 1. With CE marking, COMCO AB ensures that the product meets the requirements of the Medical Device Act. According to these regulations, we are obliged to report accidents and incidents involving our products. We therefore ask you to report to COMCO AB if an accident or incident involving our products occurs.

Introduction

This comprehensive mattress cover is available as an accessory for the COMCO soft fibre mattress and 3-piece soft fibre mattress. The hygiene cover is vapour permeable, but does not let moisture/body fluids through.

Facts Hygiene cover

Cleaning

The cover is washable at 90°C and can also be tumble dried.

Destruction

Both the mattress cover and packaging are sorted under combustible waste.

Returns and complaints

All deviations must be reported to COMCO AB. Complaints may only be made when the deviation has been reported to us. Returns are then made according to our instructions. In the case of goods damaged in transit, notification must also be made to the transport company concerned. When the complaint is received by COMCO, feedback is given to the customer regarding how the complaint should be resolved.
